

Safe Routes to School

What is it?

Safe Routes to School is a funding program through the Department of Transportation that helps make walking and biking to school safer for children in grades K through 8.

What is available to the City of Salem?

- **Infrastructure** (bike lanes, sidewalks, pavement markings, intersection improvements, and more)
 - Up to **\$400,000** in grant funding.
- **Non-Infrastructure** (safety education programs, lesson plans, helmet/safety gear giveaways, etc.)
 - Up to **\$20,000** in grant funding.

Why?

Opportunity to:

- Increase pedestrian & road safety near school properties for all
- Increase community involvement in schools and neighborhoods

What can I do to help?

Please take a few minutes to fill out a parent survey! Your input will help us understand your needs and concerns to secure this important funding for the community.
