Traversa Ride 360 Website Guide

To access student routing information through the Traversa Ride 360 website, do the following:

1) Using the Chrome or Firefox broswer, go to the URL provided by your school district.
2) If you're not already registered, choose the 'Register' link.
3) To register, enter your email address, along with your password and name.
4) After registering, you'll receive an email confirmation. The provided link will require you to confirm your registration through the Ride 360 website.
5) Log in to the website, and then add your child by going to My Students and select the Find Student button.

6) Enter the unique information provided by your school district to find your child. Repeat this step to find additional students.
7) When all students are added, you can then view transportation information for each of your children.

8) If you'd like to share a student link with another person, select your student and click the student options button in the lower-right corner.
9) Choose which students to share, then enter the email address of the person you'd like to share with. That person will receive a confirmation email, which will then automatically link the student to that user. They will be required to register with Ride 360, if they haven't already done so.

Traversa Ride 360 Mobile Application Guide

To access student routing information through the Traversa Ride 360 mobile app, do the following:

1) Download "Traversa Ride 360" from the Google Play Store or iTunes.
2) After the installation is complete, open the mobile app.
3) When you're asked to find your school district, search for the name of the school district your child attends. If you need assistance, please contact your school district.

4) Once your district is selected, you'll be presented with the login page. If you don't already have a login, click 'Register'.

5) To register, enter your email address, along with your password and name.

6) After registering, you'll receive an email confirmation. The provided link will require you confirm your registration through the Ride 360 website.

7) Login, and then add your child by going to My Students and choosing the + button. This will present the Find a Student screen.

8) Enter the unique information provided by your district to find your child. Repeat this step to continue finding students.

9) When all children are added, you can then view transportation information for each of your children.

10) If you'd like to share a student link with another person, go to My Students and either long-press for Android, or left-swipe for iOS.

11) Choose which students to share, then enter the email address of the person you'd like to share with. That person will receive a confirmation email, which will then automatically link the student to that user. They will be required to register with Ride 360, if they haven't already done so.
