* An annual deductible of \$300 per person/\$600 per family is applied first before any benefits are paid to Network Providers. Coinsurance is subject to an annual maximum of \$900 per person/\$1,800 per family. Once you have satisfied the deductible and coinsurance out-of-pocket limit, the Plan begins to pay covered medical services at 100% except for penalties, which are not included in the 100% reimbursement provision.

** An annual deductible of \$600 per person/\$1,200 per family is applied first before any benefits are paid to Non-Network Providers. Benefit payments for Non-Network Provider services are based on an Allowed Amount. Coinsurance is subject to an annual maximum of \$1,800 per person/\$3,600 per family. Once you have satisfied the deductible and coinsurance out-of-pocket limit, the Plan begins to pay covered medical services at 100% of the Allowed Amount, except for penalties, which are not included in the 100% reimbursement provision.

*** A Copayment of \$175 is applied first before benefits are paid for the Non-Emergent use of the emergency room, to Network or Non-Network Providers. Benefits for Non-Network Provider services are based on an Allowed Amount. The Copayment and Coinsurance is subject to an annual maximum of \$7,900 per person/\$15,800 per family. Once you have satisfied the annual Maximum Out-of-Pocket, the Plan begins to pay covered medical services at 100% of the Allowed Amount, except for penalties, which are not included in the 100% reimbursement provision.

The age limit for an eligible dependent child is the end of month which the child attains age 26. See Dental and Vision plan summaries for details.

Preventive Care Services

Preventive care is one of the most important steps you can take to manage your health. Routine preventive care can identify and address risk factors before they lead to illness. When you prevent illness, it helps reduce your healthcare costs. You should work with your doctors to help you follow these guidelines and address your specific health concerns.

The screenings and immunizations listed in this summary include services required by healthcare reform (the Patient Protection and Affordable Care Act). For plan years beginning on or after September 23, 2010, non-grandfathered health plans must cover these routine immunizations and other services that are recommended by the United States Preventive Services Task Force A or B, and by other organizations such as Bright Futures, endorsed by the American Academy of Pediatrics. Please note: Some services and products may be subject to age, gender or other restrictions and are subject to change. Refer to USPreventiveServicesTaskForce.org or Healthcare.org for details. In addition, some prescription drugs or services may be subject to medical management techniques, such as prior authorization, quantity limits, etc.

If these services are performed by a network provider, members cannot be charged a coinsurance or deductible. Out-of-network charges may apply if the services are performed by a non-network provider.
